Mỗi này chúng tôi có biết thêm về CHAT COUPLE Câu hỏi gì mà đang sống tìm kiếm và được chọn số 1A full episode of Saturday Night Live aired last night and ... clearly some things were left out of the final cut. There were two major omissions that were of interest to me: the first was a segment where a male Wizard of Oz impersonator and a female Joker impersonator take on The Wiz, which was a retelling of the classic tale that was intended to satirize segregationist politics; the second was the famous "Lazy Sunday" skit from the show's classic first season. Saturday Night Live had previously included re-enactments of the famous "Lazy Sunday" skit in the 90s, but they had always dealt with the first season of SNL, and this was the first time in memory that a re-enactment of the classic skit appeared on the show in the 21st Century. According to what you can hear on the Internet, Saturday Night Live did not wish to subject itself to the 3ef4e8ef8d
