Exploration of the deep sea has now begun. But the exploration of the deep sea is still in it's infancy. The vastness of the unknown deep ocean is a very vast unknown. We know very little about what lies below the crust. We've seen a glimpse of what may lay in the lower mantle and we've even managed to get a few paleontologist's samples from the lowermost mantle. While this is a noble pursuit, we want to make sure that a worthy cause is being served. Our hope is to take people to an area that will allow them to appreciate how fossil fuel companies have made their fortune in a natural and renewable resource. Part of the revenue will be used to fund potential... Alvin's First Dive in the Deep Sea
