May 6, 2019 - Morphologically, there are two types of adjectives in the Toba Batak language: . Indonesia Batak Toba (Joosten, 2014), Bibel Bahasa Batak Toba. (Joosten, 2001), Kamus Indonesia Batak Toba (Joosten, 2014), Bibel Bahasa Batak Toba. (Joosten, 2001), etc. Batak words are short words, usually more or less complex, usually meaningless, but often meanings only for their carriers; at least for most of these words. This is called the "mystical idiom". In most languages, such as English, we would simply change the word to a shorter one.
