Driving Simulator 2009 is a realistic car driving simulator. Players can try their hand at driving cars of several classes on the roads. The game has the ability to travel in a new "patrol" mode, which allows you to go on a short trip to appreciate the area or city. Pass through many obstacles and find the right path before you reach the finish line. In addition, they can send a car to help their weaker comrades when they think they are in mortal danger. read more at GERZ.RU - in tune with your desires
