
Login Wechat Melalui Facebook

You understand that we have no duty to ensure that the Personal Information you provide to us is accurate or complete. You also understand that we rely upon you to inform us of any changes in the Personal Information you provide to us. In the event that you know or have reason to believe that the Personal Information you have submitted is inaccurate or false, you agree to immediately notify us at dataprotectionwechat.com. WeChat collects and processes your Personal Information for us.

We may use your Personal Information for our business purposes (including as described in this Privacy Policy), for our own business purposes, to administer WeChat, and to enable us to provide the Services. As described in this Privacy Policy, we may disclose your Personal Information to our services providers or contractors who perform services for us and, in some cases, such third parties will be permitted to use your Personal Information for marketing communications. We also may disclose or transfer your Personal Information (including any Content) to third parties when we believe it is reasonably necessary to enforce this Privacy Policy, respond to claims, or protect the rights, property or safety of WeChat, its employees, customers, or the public. We may also disclose or transfer your Personal Information in connection with a sale or acquisition of all or a part of WeChat, a merger or sale of all or part of WeChat, the sale or transfer of all or part of our business or assets, including if we are acquired by or merged with another entity (each, a "Business Transfer"), or any similar corporate transaction. Other than in these circumstances, WeChat will not transfer your Personal Information without your consent.

Login Wechat Melalui Facebook

if you choose to use social media sharing widgets such as facebook, twitter, or pinterest you may be able to connect your wechat account to your social media accounts. please check the social media services' terms of service and privacy policies before you disclose your personal information to them. we are not responsible for their privacy practices. for the avoidance of doubt, wechat may collect information about you when you register with or use certain features, and when you use wechat's "feedback" function, including, for example, your email address, your mobile device identifier (e.g., imei, imsi, or device serial number), your internet protocol ("ip") address, and/or other internet protocol information (together, "information"), even if you have not provided any personal information. if you choose to provide personal information, we may also collect personal information about you. your personal information will be provided to us in accordance with our terms and policies. by using wechat, you consent to the collection, use, and disclosure of your personal information as described in this privacy policy. wechat uses a security technology to protect against unauthorized access to the data in our database systems, but we cannot guarantee that unauthorized third parties will never be able to defeat that technology. we may from time to time, process your personal information for the purposes of providing wechat and the features of the wechat open platform, and we may pass it to third parties, as further set out below. we may use a third-party provider, such as facebook, to provide certain wechat services on our behalf (for example, to provide you with access to wechat, or to provide you with content and services). in this case, we will process your personal information in accordance with this privacy policy. you can learn more about how facebook processes your personal information by visiting > login wechat melalui facebook we may share your personal information with third parties for marketing and advertising purposes, as further set out in the following table. we may share your personal information with other third parties where we have your consent, or where such sharing is required or permitted by law. we may use service providers that are located in countries outside of your country of residence, and you may find that these service providers are subject to different privacy or data protection laws than those that apply in your country. 5ec8ef588b
