# About Us

Your approved source of clean, safe, well-maintained and professionally built affordable rental Homes in Somerset, KY. Our company has been in existence since 1984 and the walls are specially designed to be sound-proof to cater for the clients' privacy. All our rentals area easily accessible and conveniently situated in the southern part of Somerset with marked proximity to shops, restaurants, urgent-care facilities and the Lake Cumberland Regional Hospital. Ideal for strolling, jogging or those who prefer getting around on foot.

Somerset, KY, provides apartments, duplexes, and rooms for rent, and finding the right duplex that combines privacy and affordability can be a challenging task. Often, duplexes provide two separate entrances, shared spaces outdoors, and private parking, so it's quite suitable for people who seek to have a semi-private house while renting. Most of these duplex rentals are also strategically positioned near schools and shopping districts, so it would suit families, couples, or individual renters looking for a living environment in a community.

- A duplex is ideal for people who need a bit more privacy but cannot afford to pay an outrageous amount on rent.
- This can work well for small families, working professionals, and even for retirees looking to live with less maintenance in life.
- A duplex comes with great living space and modern conveniences. Often, these also have tiny yards which make it so that all the perks of a house are offered with none of the hassle.
- ROKS Rentals offers great [Duplexes for Rent Somerset KY](#) options to fit with any sense of style and budget.
