About Us

Welcome to Bolex Brushes – your trusted partner for premium-quality brushes designed to meet all your cleaning and industrial needs. With a commitment to innovation, durability, and sustainability, we craft brushes that deliver exceptional performance across diverse applications.

www.bolexbrushes.com

Bolex Brushes offers high-quality [Strip Brushes](#) designed for a wide range of industrial applications, including sealing, cleaning, and shielding. Crafted with durable materials, these brushes provide effective solutions for controlling dust, debris, and airflow. Customizable in size, shape, and bristle type, our strip brushes are versatile and suitable for diverse environments.

Strip Brushes are highly useful and besides cleaning they are also applied in sealing work as well. They include filaments which are arranged on a long thin base principally of metallic, plastic or wooden material. These brushes are used in various sectors for various uses for instance, in cleaning, sealing seams, in combating with dust or in cases where it is needed that no air can escape.
