### PLEASANTON ACADEMY OF MUSIC

Flute Lessons in East Bay offer an academic and artistic learning experience to those interested in learning how to develop their skills in playing the flute. Be it a new player or a sophisticated musician seeking additional instruction, local music schools around the country have professional flute coaches working one on one with each of the students with the common goal of achieving the desired outcome. Basic techniques in flute lessons include breath control, proper finger positioning, and tone production.

#### PLEASANTON ACADEMY OF MUSIC

Pleasanton Academy of Music offer private Flute Lessons to help students reach their full musical potential in an enjoyable and motivating learning environment. Whether you are a beginner interested in exploring music or you are a refined player seeking to perfect your skills, you will find guidance with our qualified instructors every step of the way.
