

A 3D rendering of a hallway with two fire-rated steel doors. The door on the left is closed, and the door on the right is open, revealing a bright interior. A fire extinguisher is on the wall to the left, and two orange traffic cones are on the floor. A fire is visible on the right wall.

FIRE RATED STEEL DOOR MANUFACTURERS IN QATAR

ABOUT US

Third Eye Group is a diversified enterprise excelling in general contracting, construction, trading, fashion, and hospitality. With a strong presence across the Middle East, we deliver expert services in masonry, painting, tiling, and plastering for the utilities, private, and construction sectors. Our trading division supplies high-quality materials vital for petrochemical and construction projects, ensuring efficiency and reliability. In fashion, we bring exclusive international collections, especially from Italy. Our Dammam-based restaurants serve authentic Chinese, Indian, and Arabic cuisine, offering a premium dining experience. Driven by a commitment to excellence, Third Eye Group continues to meet industry-specific needs with reliable, tailored solutions that reflect quality and professionalism in every sector we serve.

SERVICES
