

A background photograph showing a person in a brown uniform, likely a customs officer, interacting with another person. The second person is holding a clipboard and a pen, appearing to be checking documents. A cardboard box is visible in the background.

CUSTOMS CLEARANCE IN QATAR

ABOUT US

Al Sheikh Logistics & Heavy Equipment Rental (ASLR) has been a leading force in logistics and transport across Qatar and the GCC since 2002. We specialize in delivering customized logistics solutions for industries such as construction, oil & gas, energy, and infrastructure. Our comprehensive services include freight forwarding, 3PL/4PL, customs clearance, and door-to-door delivery. Equipped with a modern fleet of trailers, cranes, forklifts, and more, we handle everything from standard shipments to oversized cargo. With strong regional expertise and a commitment to reliability, ASLR ensures smooth import, export, and transshipment operations via sea and air. Our tailored, client-focused approach makes us the trusted choice for logistics and heavy equipment rental across the Middle East.

CUSTOMS CLEARANCE IN QATAR

At Al Sheikh Logistics & Heavy Equipment Rental (ASLR), we provide fast, reliable, and fully compliant customs clearance services in Qatar. With over two decades of experience, our expert team ensures smooth clearance of imports and exports by handling all documentation, permits, and coordination with port and airport authorities. Whether it's general cargo, oversized shipments, or specialized equipment, we guarantee hassle-free processing in line with Qatar Customs regulations. Our deep understanding of local procedures, combined with strong relationships with key government agencies, allows us to expedite operations and minimize delays. Trust ASLR to simplify your supply chain with efficient, end-to-end customs clearance solutions that support your business needs across Qatar and the GCC.
